REPORTS

Claims Audit Sub-Committee – Shawn Mitchell reported they met this evening and reviewed August and September business and petty cash procedures. The next meeting will be December 12, 2015, 6:15 p.m. in the high school library.

Audit Committee – Roberta Herron noted there are no meetings scheduled.

Policies and Bylaws Committee – Neil Widrick shared they met Monday evening and reviewed the 0 and 1,000 series of policies. The next meeting will be January 25, 2016 at 6:00 p.m.

Teaching Center Representatives – Karen Fruscello reported they met on October 5 and reviewed the budget, committee assignments, and working with regional teaching centers on training teachers about how poverty impacts families.

Parent Curriculum Information Council – Joseph Simon noted that the first meeting is October 22. The council will review the 2015-16 Strategic Plan.

Ad Hoc Employee Benefits Committee – Karen Fruscello shared the first meeting was held and they reviewed creating a wellness sub-committee, the Affordable Care Act, and the Excellus cyber attack. The next meeting is scheduled for January 11, 2016.

OPEN FORUM

Roberta Herron mentioned she spoke to Public Affairs classes and found the students very engaging as they discussed Board policies.

Shawn Mitchell spoke of the NYSSBA conference this week. The top three takeaways were: 1 - unification in 3-8 testing and the APPR system; 2 - key words trust and credibility at the New York State Education Department needs to be repaired; and 3 - cautiously optimistic regarding the new New York State Education Department Commissioner.

James Soper also noted he too was very impressed with the NYSSBA conference.

Kimberly Sacco reported the NYSSBA Pre-Law Conference was about negotiations, work place bullying, and policy development.

Paula Brillo invited everyone to a presentation 'Natural Highs: Making Healthy Choices' by guest speaker Matt Bellace, Ph.D, Clinical Neuro Psychologist and Comedian on Thursday, November 5. He will be speaking to students in grades 6-10 throughout the day.

Neil Widrick participated in PARPS at Stonehedge and read to a kindergarten class. He said it was awesome.

Geoff Morton recognized Peter Blake and his service to West Genesee.

Bill Davern noted the marching band will be at the Carrier Dome in two weeks.

Peter Blake thanked the Board of Education and administration for their support. He also mentioned that next Thursday will be the Halloween Carnival at the high school.

GRANT OF EASEMENT

West Genesee Central School District of 300 Sanderson Drive, Camillus, New York 13031 (hereinafter referred to as "Grantor"), for consideration of One Dollar (\$1.00), and other valuable considerations paid, the receipt and sufficiency of which are hereby acknowledged under seal, hereby grants to **NIAGARA MOHAWK POWER CORPORATION**, a New York corporation, having an address at 300 Erie Boulevard West, Syracuse, New York 13202 (hereinafter referred to as "Grantee"), for Grantee and its lessees, licensees, successors, and assigns, the perpetual right and easement as described in Section 1 below (the "Easement") in, under, through, over, across, and upon the Grantor's land, as described in Section 2 below (the "Grantor's Land").

Section 1 – Description of the Easement. The "Easement" granted by the Grantor to the Grantee consists of a perpetual easement and right-of-way, with the right, privilege, and authority to:

- a. Construct, reconstruct, relocate, extend, repair, maintain, operate, inspect, patrol, and, at its pleasure, abandon or remove underground electric facilities including a line or lines of wires or cables (either direct-buried or installed in underground conduits), handholes, manholes, conduit, vaults, junction boxes, pad-mount transformers, housings, connectors, switches and switching equipment, pipes, pedestals, closures, ducts and duct work, markers, cables, connections to overhead and underground wires, insulators, transformers, braces, fittings, foundations, anchors, lateral service lines, communications facilities, and other fixtures and appurtenances (collectively, the "Facilities"), which the Grantee shall require now and from time to time, for the transmission and distribution of high and low voltage electric current and for the transmission of intelligence and communication purposes, by any means, whether now existing or hereafter devised, for public or private use, in, upon, over, under, and across that portion of the Grantor's Land described in Section 3 below (the "Easement Area"), and the highways abutting or running through the Grantor's Land, and to renew, replace, add to, and otherwise change the Facilities and each and every part thereof and the location thereof within the Easement Area, and utilize the Facilities within the Easement Area for the purpose of providing service to the Grantor and others;
- b. From time to time, without further payment therefore, clear and keep cleared, by physical, chemical, or other means, the Easement Area of any and all trees, vegetation, roots, aboveground or belowground structures, improvements, or other obstructions and trim and/or remove other trees, roots and vegetation adjacent to the Easement Area that, in the opinion of the Grantee, may interfere with the construction, operation, and maintenance of the Facilities. The first clearing may be for less than the full width and may be widened from time to time to the full width;
- c. Excavate or change the grade of the Grantor's Land as is reasonable, necessary, and proper for any and all purposes described in this Section 1; provided, however, that the Grantee will, upon completion of its work, backfill and restore any excavated areas to reasonably the same condition as existed prior to such excavation; and
- d. Pass and repass along the Easement Area to and from the adjoining lands and pass and repass over, across, and upon the Grantor's Land to and from the Easement Area, and construct, reconstruct, relocate, use, and maintain such footbridges, causeways, and ways of access, if any, thereon, as is reasonable and necessary in order to exercise to the fullest extent the Easement.

Section 2 – Description of Grantor's Land. The "Grantor's Land" is described in a certain Deed recorded in the **Onondaga County Clerk's Office in Liber 5246 of Deeds at Page 708** and consists of land described as being part of Tax Parcel No. **035.00-05-52.1** of the **Town of Camillus, County of Onondaga, New York**, commonly known as **Sanderson Drive**.

Section 3 – Location of the Easement Area. The "Easement Area" shall consist of a portion of the Grantor's Land **10 feet** in width throughout its extent, the centerline of the Easement Area being the centerline of the Facilities. The general location of the Easement Area is shown on the sketch entitled **WR#18981979**, which sketch is attached hereto as **Exhibit A** and recorded herewith, copies of which are in the possession of the Grantor and the Grantees. The final and definitive location(s) of the Easement Area shall become established by and upon the final installation and erection of the Facilities by the Grantees in substantial compliance with **Exhibit A** hereto.

Section 4 – Facilities Ownership. It is agreed that the Facilities shall remain the property of the Grantee, its successors and assigns.

Section 5 – General Provisions. The Grantor, for itself, its heirs, legal representatives, successors, and assigns, hereby covenants and agrees with the Grantee that no act will be permitted within the Easement Area which is inconsistent with the Easement hereby granted; no buildings or structures, or replacements thereof or additions thereto, swimming pools, or obstructions will be erected or constructed above or below grade within the Easement Area; no trees shall be grown, cultivated, or harvested, and no excavating, mining, or blasting shall be undertaken within the Easement Area without the prior written consent of the Grantee, it being the intent that the Easement herein conveyed is intended to prohibit the longitudinal or parallel use or occupancy of said Easement Area by surface or subsurface activities or structures which might damage or interfere with the Facilities; the Easement shall not be modified nor the Easement Area relocated by the Grantor without the Grantee's prior written consent; the present grade or ground level of the Easement Area will not be changed by excavation or filling; the Grantee shall quietly enjoy the Grantor's Land; and the Grantor will forever warrant title to the Grantor's Land.

The Grantee, its successors and assigns, are hereby expressly given and granted the right to assign this Easement, or any part thereof, or interest therein, and the same shall be divisible between or among two or more owners, as to any right or rights created hereunder, so that each assignee or owner shall have the full right, privilege, and authority herein granted, to be owned and enjoyed either in common or severally. This Grant of Easement shall at all times be deemed to be and shall be a continuing covenant running with the Grantor's Land and shall inure to and be binding upon the successors, heirs, legal representatives, and assigns of the parties named in this Grant of Easement.
