

COMMUNITY RELATIONS

PARENT INVOLVEMENT

The Board of Education welcomes active participation of parents / guardians in the planning and support of the academic program for their children. The Board of Education supports:

1. Facilitating the distribution of information to parents regarding:
 - a. The academic programs
 - b. Assessments used to measure academic progress
 - c. School and district performance profiles

2. Providing opportunities for communication between parents / guardians and the school district through but not limited to:
 - a. Open houses
 - b. Parent/teacher meetings
 - c. Academic achievement reporting
 - d. Use of academic planners in grades 3-12
 - e. Building and District newsletters
 - f. District Web Site

3. Involving parents in:
 - a. Parent Curriculum Information Council
 - b. Parent Teacher Organizations
 - c. Shared Decision Making Teams
 - d. Strategic Planning Committee
 - e. Other Ad Hoc Committees
