

PHILOSOPHY, GOALS AND OBJECTIVES

SCHOOL DISTRICT GOALS AND OBJECTIVES

In furtherance of its educational philosophy, the Board of Education hereby establishes the following objectives and goals:

1. to employ the best possible school staff, including both professional and support personnel;
2. to encourage the development of meaningful, interpersonal relationships among the students, the staff, and community;
3. to insure that staff, students, and parents are afforded opportunities for meaningful participation in the development and evaluation of programs and policies;
4. to strive for maximum efficiency in the use of district resources to meet the goals and objectives of the various programs and services;
5. to encourage all students to:
 - a. develop skills in reading, writing, speaking, listening, and mathematics by developing skills in oral and written English to help communicate ideas effectively;
 - b. learn how to examine and use information by using scientific methods and logical reasoning;
 - c. develop a desire for learning now and in the future by encouraging intellectual curiosity and eagerness for lifelong learning;
 - d. develop good character and self-respect by encouraging development of standards of personal character and ideals;
 - e. develop pride in student's achievements and progress and a feeling of self-worth;
 - f. develop skills to enter a field of work;
 - g. gain information needed to make job selections by developing an awareness of opportunities and requirements;
6. to promote the development of a true "community school" in services to the adult community.
