

PHILOSOPHY, GOALS AND OBJECTIVESSCHOOL DISTRICT GOALS AND OBJECTIVESGoals for Instructional Program

The Board of Education establishes the following goals for the instructional program:

1. to instill in students basic skills as well as the knowledge, attitudes, and habits that will allow them to adopt, adapt, and utilize these skills in the ever changing environment;
2. to provide an educational program that challenges each student, yet minimizes failure. Everyone willing to make the effort to work and to learn should be able to achieve success;
3. to develop an educational program that is comprehensive and involves input from all groups within the school community, especially administrators, staff, parents, and students; and
4. to create a learning process that emphasizes human worth and incorporates real and relevant experiences that students may identify with and learn from easily.
