

PHILOSOPHY, GOALS, AND OBJECTIVESSCHOOL DISTRICT GOALS AND OBJECTIVESGOALS FOR THE EDUCATIONAL PROGRAMParticipatory Goal-Setting and Decision Making

The Board of Education supports the efforts of teachers, administrators, staff, parents, students, and community members as they share information and offer their expertise in developing a school environment that is academically challenging, psychologically satisfying, and socially fulfilling for students at all levels. The goals of an educational program are best realized when mutual understanding, cooperation, and effective community communication exist. The Board of Education supports participation from all sectors of the educational community in an effective process which provides a setting for this communication, cooperation, and understanding.
