

CMS Families:

Your participation in the PTO demonstrates a commitment to educational excellence. We are asking every CMS family to become a member of the PTO. Membership is \$10 per family and goes directly to the students. Whether or not you are able to attend meetings or volunteer your time, you have the opportunity to donate to help fund many of the PTO sponsored events and programs.

Please help us reach our goal of 100% participation!

Stay connected and find out what's happening at CMS by coming to a PTO meeting:
